Subject: Libby asbestos: Disciplinary Workgroup review, part 2
Attachments: Libby SAB Report with cancer section highlighted.docx; Libby Cancer Exposure-Response Charge (Dec 2 2013).docx; Libby revision of Section 5 4 draft (November 26 2013).docx
Importance: High

Hello Epi and Stat Workgroup Co-Chairs -- The Libby Team is ready to have the Cancer Exposure-Response reviewed by the Epidemiology and Statistical Workgroups. As the Libby Amphibole Asbestos Toxicological Review is of the highest priority, we are requesting written comments from the Workgroups to be due by 12/13 with a follow-up discussion early in the week afterwards (Dec 16-18). It is critical to the schedule that this review be initiated immediately.

Attached you will find the SAB Final Report along with Section 5 (Cancer Exposure-Response) for transmittal to the Disciplinary Workgroups. I am expecting the reviewers to read through the SAB Report on all aspects of the Cancer Exposure-Response.

There is also included a short 'Charge' to the Workgroups.

I know this is short notice, but I trust you will do your best. Thanks again for all you do for IRIS.

Vince
